TMCC

Your college. Your future.

Truckee Meadows Community College creates the future by changing lives.

TMCC provides students choices: over 50 programs of study that lead to more than 160 degrees, certificates and other completion options, university transfer, convenience, flexible schedules and affordability.

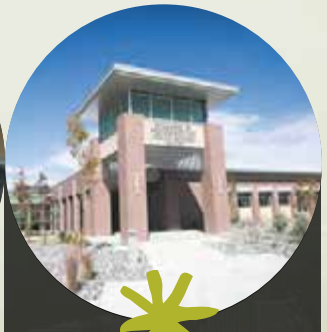
Locations

With five convenient locations around Reno, your classes are never far away.

- **Dandini Campus**, 7000 Dandini Boulevard
- **Meadowood Center**, 5270 Neil Road
- **William N. Pennington Applied Technology Center**, 475 Edison Way
- **Nell J. Redfield Foundation Performing Arts Center**, 505 Keystone Avenue
- **William N. Pennington Health Science Center at Redfield**, 18600 Wedge Parkway, Building B

Classroom and laboratory space at the Dandini Campus has been renovated to expand research space in scientific fields and provide additional lab space to accommodate core classes for some of the popular subject areas.

Renovations of the William N. Pennington Applied Technology Center include updated and expanded laboratory and study spaces for Technical Science programs, and additional classrooms on the second floor.



The William N. Pennington Health Science Center boasts a brand-new 16,800 building with a state-of-the-art nursing laboratory with simulation and patient rooms, radiologic technology laboratory, and additional classrooms, labs and study spaces.

Affordability

Tuition at TMCC is about half the cost of classes at a four-year public institution.

Fees are set by the Nevada System of Higher Education Board of Regents, and are subject to change.
Visit fees.tmcc.edu for the most current tuition information.

Financial Aid & Scholarships

50% of TMCC students receive financial aid or scholarships.

Visit financialaid.tmcc.edu to get information on how to apply and plan for the cost of college, and get answers to frequently asked questions. Friendly and knowledgeable staff members will help you identify financial aid options, scholarship opportunities and employment choices!

Meet the FLAME$

The Financial Literacy and Money Education by Students (FLAMES) team is on fire, igniting a passion for better education and information about money!

TMCC students have been trained as peer mentors to help other TMCC students gain a better understanding about their money, their attitude towards money, and their choices involving money. Watch for free workshops during each semester to help you learn about scholarships, loans, credit cards and how to help you manage your money wisely. Take advantage of meeting with a peer mentor in a secure one-on-one setting for individual attention.

Academic Excellence

TMCC is fully accredited by the Northwest Commission on Community Colleges and Universities (NWCCU), and offers a wide variety of fields of study.

New in 2016! *Bachelor of Applied Science Degrees:*
Emergency Management and Homeland Security
Logistics Operations Management

Campus Life

Say "Hello" to Wizard!

Wizard the Lizard is TMCC's mascot and ambassador. Wizard can be found at student events on campus throughout the year!

SGA & Campus Clubs

The Student Government Association (SGA) of TMCC is the official student government body at TMCC. The SGA encompasses all students currently enrolled at TMCC: anyone taking at least one class at TMCC is an SGA member!

SGA offers programs and activities for students, and provides support to recognized student clubs and organizations. SGA also represents you by making recommendations and providing information about student concerns to the college, the Nevada System of Higher Education, and the Board of Regents. Get more information from sga.tmcc.edu, call 775-673-7203, or visit the SGA Office at the Dandini Campus, Red Mountain Building, room 122.

What clubs are there on campus?

SGA recognizes many types of clubs including academic, cultural, faith-based, political, service, and special interest. A list of recently recognized clubs can be found online at SGA's website – but if you don't see a club you're interested in, go ahead and start your own!

Student Services at a Glance

As a student at TMCC, you will have access to:

- Free tutoring in a multitude of course subjects at the Tutoring & Learning Center
- Academic advisors to keep you on track towards graduation
- Counseling services to help you define and achieve success
- Free computer labs and additional library services
- Workshops and career training at the Career Center
- Equal access to all services through the Disability Resource Center

And at the Dandini Campus:

- TMCC Café, serving three meals a day
- Reduced membership fees at the TMCC Fitness Center
- Semester or full-time child care available at the E.L. Cord Child Care Center
